1. If you were in Rihanna's shoes, would you post such a photo?
2. Do you ever post or let others post imperfect photos of you?
3. How often do you take selfies? Why do you think people do it?
4. Why are people so obsessed with their appearance?
5. What is the modern canon of female and male beauty like?
6. What would you change about your appearance?
7. Do beautiful people have easier lives?
8. Would you ever date somebody who is not your type?
