1. Are there any famous stories of friendship in your culture e.g. on TV, in films, in books?
2. How do you maintain a good friendship?
3. What kind of qualities do you look for in a friend?
4. Is it possible for men and women to be friends?
5. What do you usually do with your friends?
6. What are some reasons to end a friendship?
7. What are some ways to end a toxic friendship?
8. Are you close friends with anyone who you knew in elementary school?
9. Do you have more male friends or female friends?
10. What are the benefits of having just a few close friends?
